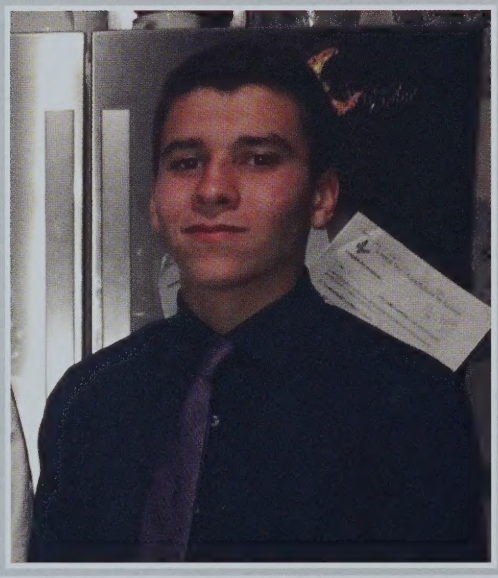
Dedication

The class of 2021 would like to dedicate this year's yearbook to James Anthony Belanger. On December 1st, 2018 we heard the devastating news of his passing. James was not only a great student, but was also a very dedicated member of the Civil Air Patrol. James will always be remembered and will hold a special place in our hearts. We not only remember him by his name, but by his smile, his advice, and most importantly the positivity that he brought. Rest in peace James, you will always be thought of, missed, and loved by the class of 2021.



The class of 2021 would also like to dedicate this year's yearbook to Ray Richards Sr. He has been such an important part of our community. Not only was he an amazing football coach, but he dedicated so much of his time and effort to our student athletes. His strong passion for Woolie Pride showed how much he cared for his athletes. The football team is devastated to lose the person who would make them team dinners and make sure their jerseys were clean and ready for every game. Most importantly they will miss the person they knew they could go to for anything. We are so grateful for the years we got to spend with him. Old Man Richards will forever be in our hearts and never forgotten.

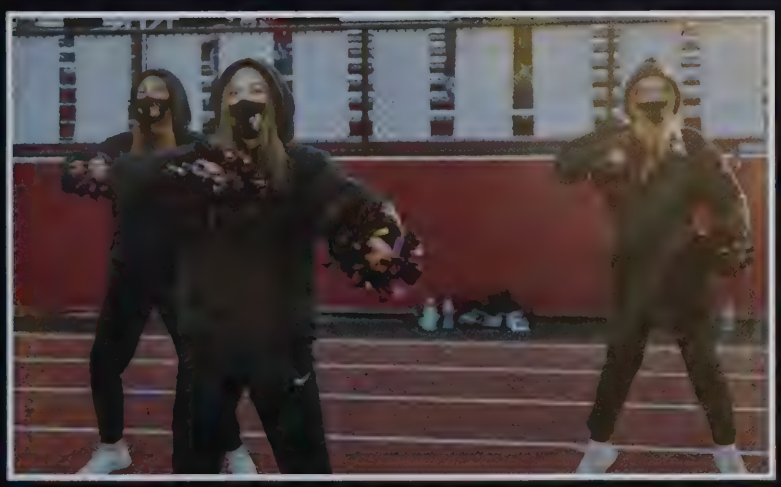
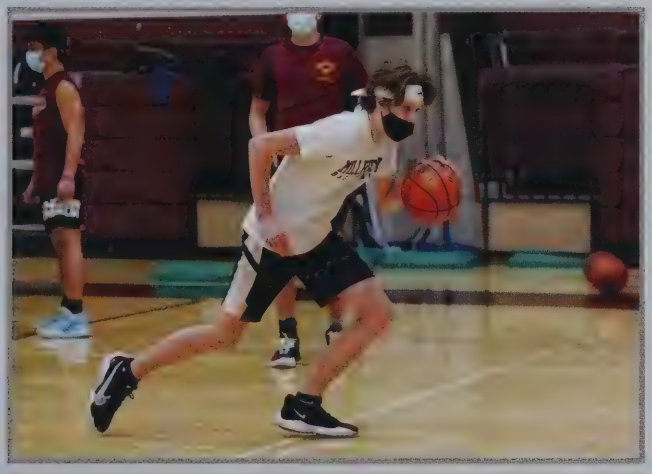
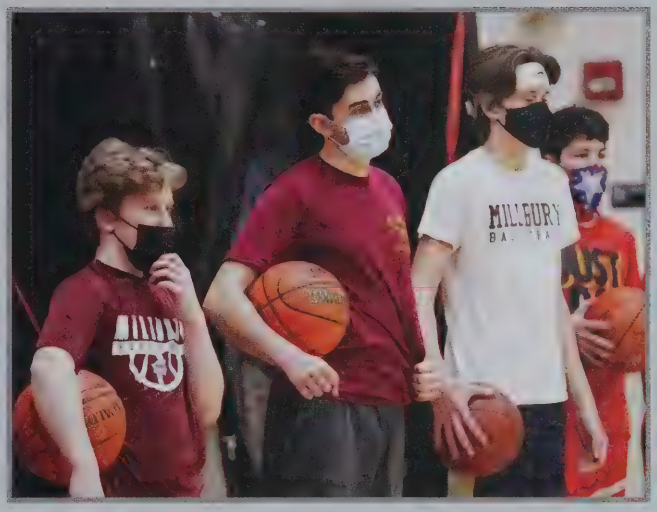
ANYTHING BUT TYPICAL

Sports 2021



Boys Basketball





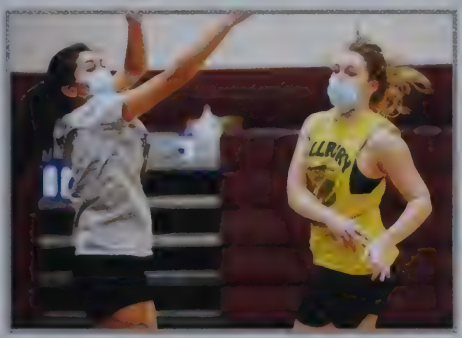
Woolie Ball

The boys varsity basketball team was looking forward to a big season that was not possible due to Covid. Even though we were not able to compete, the team still worked hard to prepare the underclassmen for next season. The seniors would like to thank the coaching staff for everything, and wish the best of luck to our teammates in their upcoming seasons.

Girls Basketball

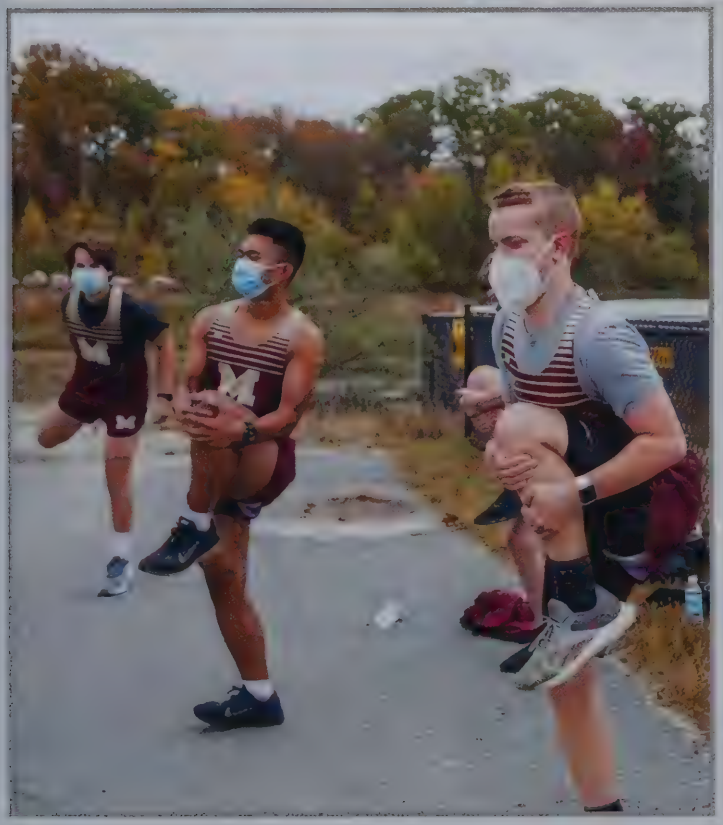
The girls varsity basketball team wasn't able to compete in their typical season but made the best of it by running practices throughout the winter season. Along with practices the team was also able to compete in a successful senior night game versus Leicester. The seniors would like to wish the best of luck to all the younger players in their remaining seaons as Lady Woolies. We would also like to our incredible coaching staff and families for all their support throughout the years. Thank you for everything MGVB <3.

Lady Woolies For Life

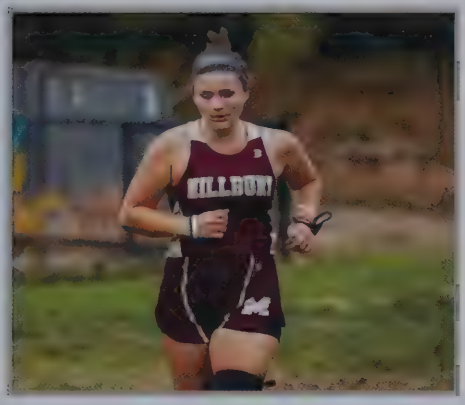


Boys Cross Country

This cross country season was unlike no other. The team was split in two cohorts so we had to compete separately throughout the season. However, we were able to come together for our final pod championship where we finished second. There are two graduating seniors, Ryan Foley & Keegan Gleason.The rest of the team consists of primarily underclassman and looks strong for the next season.



Girls Cross Country



This year for the varsity girls cross country team was a very challenging year, but we were able to overcome the challenges as a team! The season was definitely strange but we were able to have a very good season despite everything. With two new seventh graders, there is great potential for the next couple of years. Even though it was not the season we were looking forward to, we all came out on top and made many new friendships.

No eXCuses.

Cheerleading

You will never know your limits,
unless you push yourself to them.

This year, cheer was very different to say the least. It started with pre season practices by cohorts, Our workout routines conditioned us and prepared the team for the intense tumbling and stunting drills we would compete when the real season began. Splitting the team in two during the fall was very unusual and new skills were required for us to be able to captain separately, but we made the best of it! We are so happy to be able to have a fall 2 season, and be together as a full team. Even though senior season didn't go as planned we are more than thrilled to be together as a team again and cheer on the football team for another great season. To all our young cheerleaders, our advise to you is to enjoy every moment you have and never take any opportunities for granted, these days you never know what might happen.

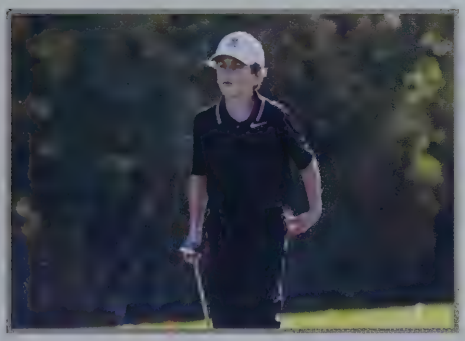
Football

Coming off of a successful season last fall, this year we have a team of players young and eager to prove themselves. There has been a lot of doubt after losing seventeen seniors, but we are confident in our ability to do even better this season. The whole team is really looking forward to being able to play this year on the new facilities, and we know we can have a successful season.

"Wut Time Is Pracis?"

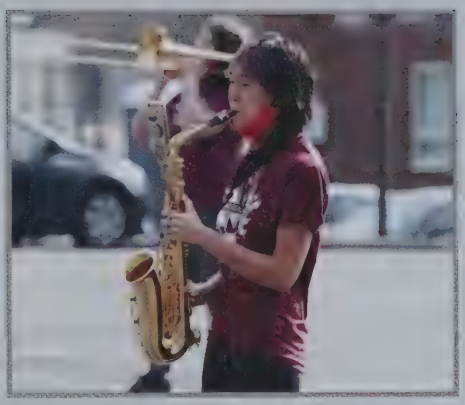
Golf

Susan Johnson



The 2020 fall golf season was different than past years, but still had success. Tommy Rembiszewski had an average of 35.6 this season, leading the team as their number one. In the pod/league final match, Tommy tied for first, and Jack Remuck placed 4th.

Marching Band



Boys Soccer

"If I have to run because of how I played yesterday... I'm walking"

Our team was a true family this season. While it was a nontraditional season being able to be out on the field together gave us lasting memories of our high school soccer careers. As a team we have been a part of devastating defeats but also great triumphs that have strengthened our bond as more than just teammates. We'd like to thank all of our coaches and supporters for motivating us to be the best we could on game day and teaching us valuable life lessons.

Girls Soccer

Hussien, Hoosan

As the defending division IV state champions, the Millbury varsity soccer team has truly felt the pressure to live up to our title during the fall II season. With six starting seniors this year, we have started our season very strong & plan to continue our strong run throughout the rest of this untypical season. We would like to wish our underclassman the best of luck in the upcoming seasons & thank everyone who has allowed our final season as Lady Woolies to be forever memorable!

Volleyball

This year, the Millbury Girls Varsity Volleyball Team is extremely grateful for having the opportunity to play in the Fall II season. With having a team of mostly juniors and seniors, we knew that we had a good chance of being successful. We have won our league for many consecutive years, so going into this season, we set a goal to continue our record. We are confident in the team's abilities to achieve this goal. The five seniors on the team will be missed, and we are all so grateful for being apart of this family.

Congratulations on all of your achievements! We admire your wild creativity and incredible determination, and are extremely proud of the amazing role model you've grown into. Stay compassionate, positive and humble. We love you, and are grateful for the people, places and experiences that played a part in shaping who you are today. Your graduation from preschool seems like yesterday, but whether you're riding the bus or flexing your Tesla, we knew you were on the road to making a difference in this world. Continue to dream big and live your best life. We're your biggest fans and will always be there for you through your journey ahead.

With much love from your family
